Four years pass quickly.

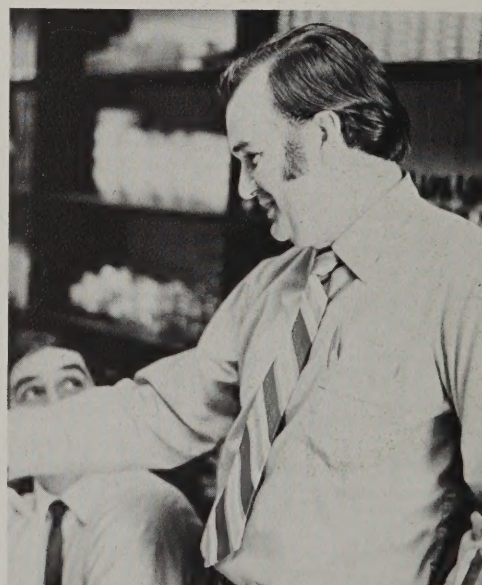

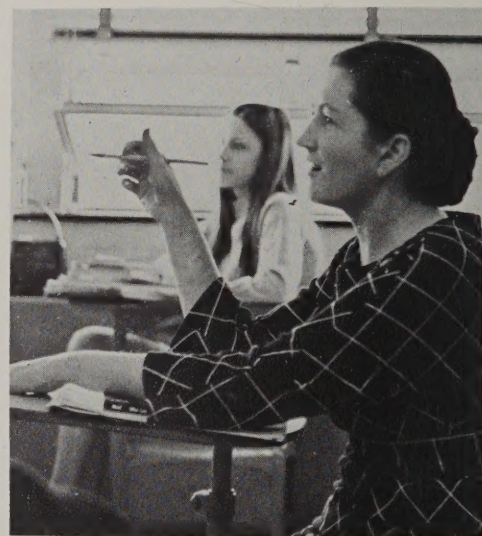

The sun follows its eternal path from east to west
nearly one thousand five hundred times . . .

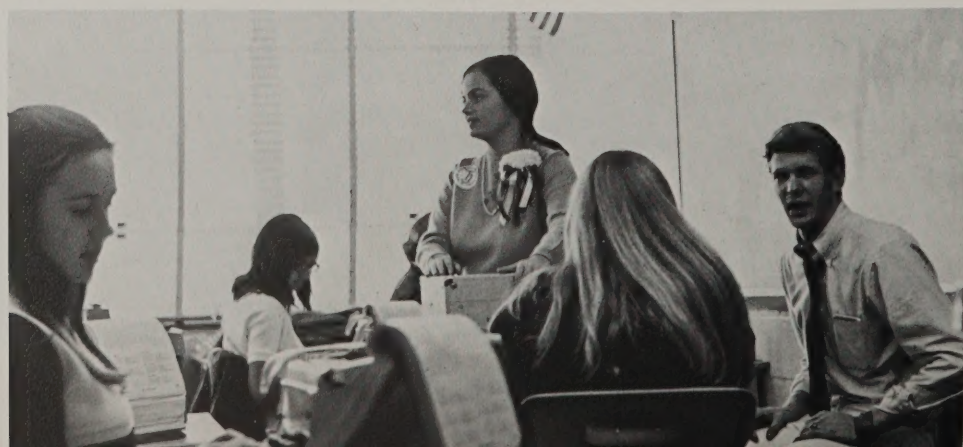

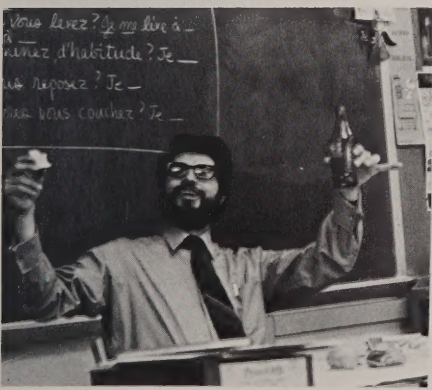

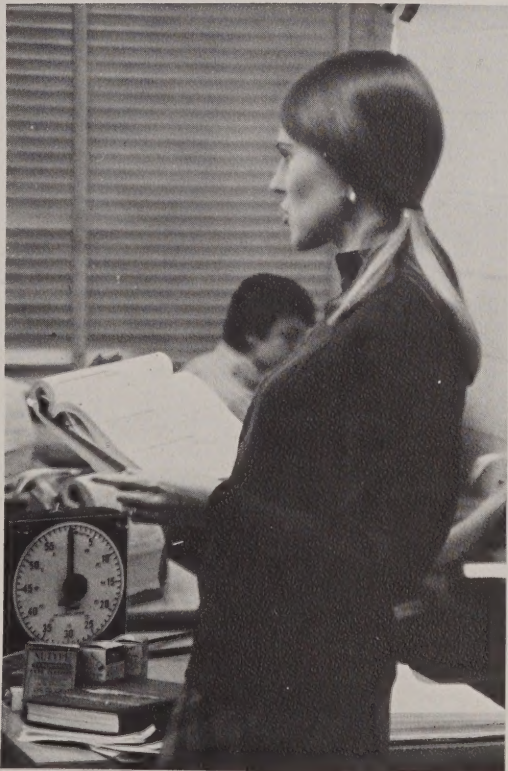

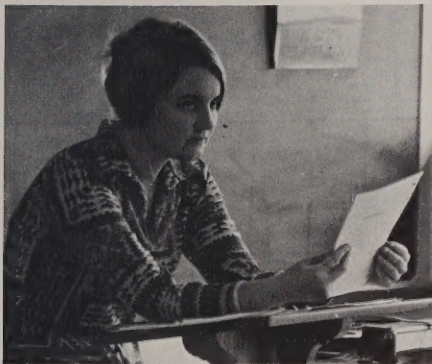

. . . and the universe swirls around its trillions of suns.

But in those four fleeting years,
the universe, for at least a
small portion of humanity, takes
on the smaller dimensions of a
rather austere red-brick
building . . .

. . . and revolves around not one
nor a trillion but some one
hundred or so luminaries—
teachers.

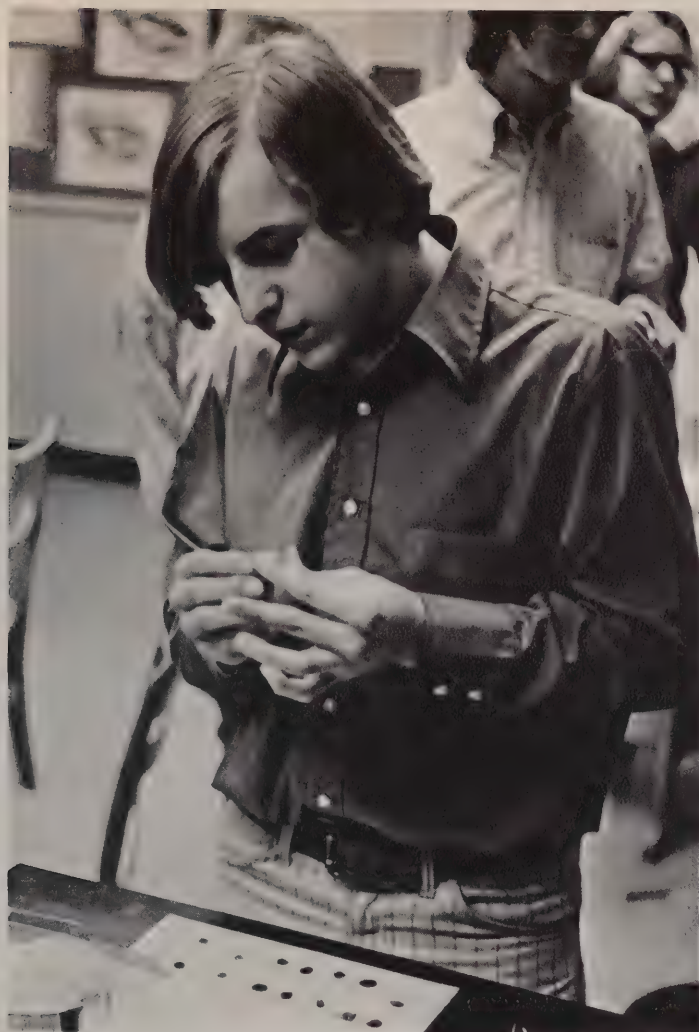

The teacher is like the candle, which lights others in consuming itself.

Italian Proverb

It has been said that a child educated only in the classroom is an uneducated child, and this is so — for the six periods that you spend in various parts of the rather austere red-brick building are only a part of your total education.

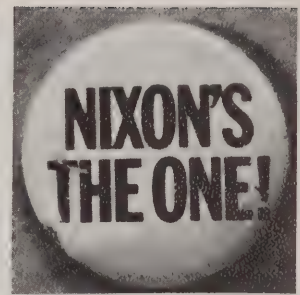

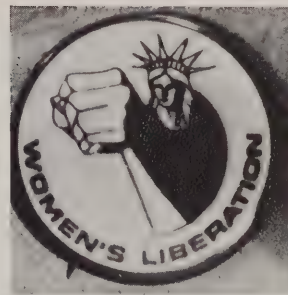

You experience a thousand and one new experiences in those four years, and they constantly reshape your pliable mind.

You evolve new thoughts . . .

. . . and espouse new causes.

You learn of other people in the
rather austere red-brick
building by associating
with many of them . . .

. . . and making friends
with a few of them.

And in becoming acquainted with other people,
in experiencing new experiences, evolving
new thoughts, and espousing new causes,
you come to know yourself.

*Make it thy business to know thyself, which
is the most difficult lesson in the world.*

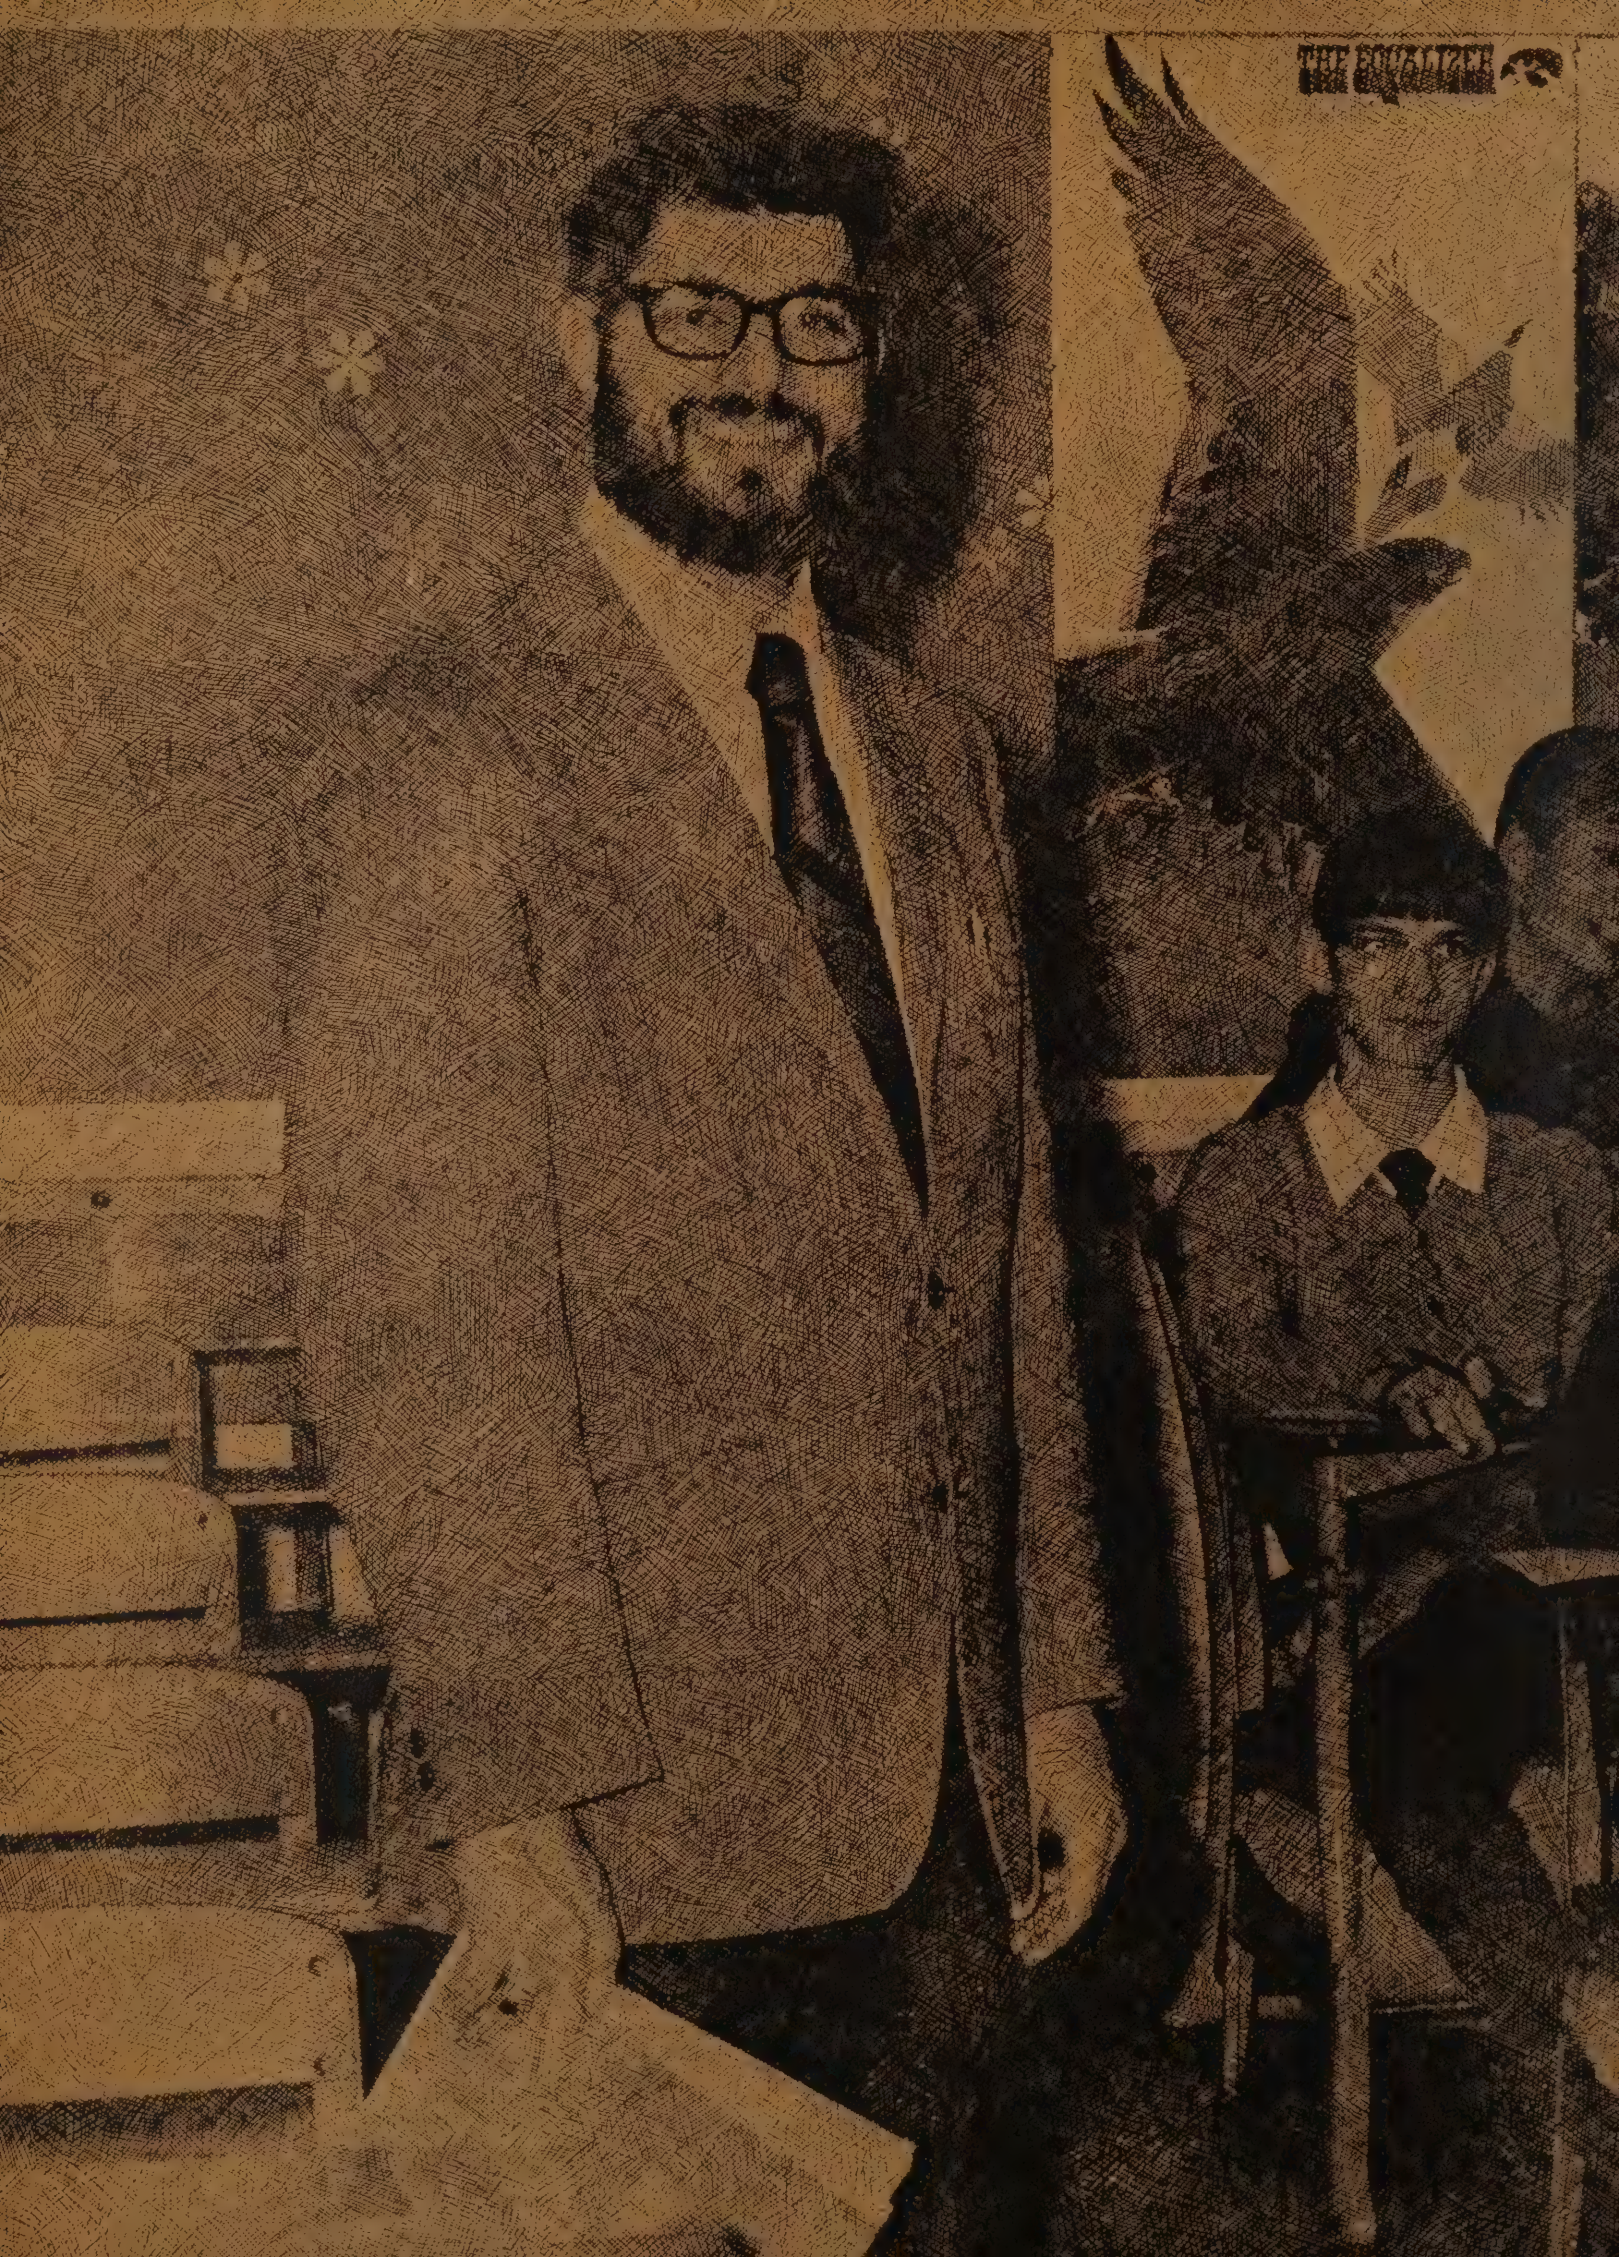

Cervantes

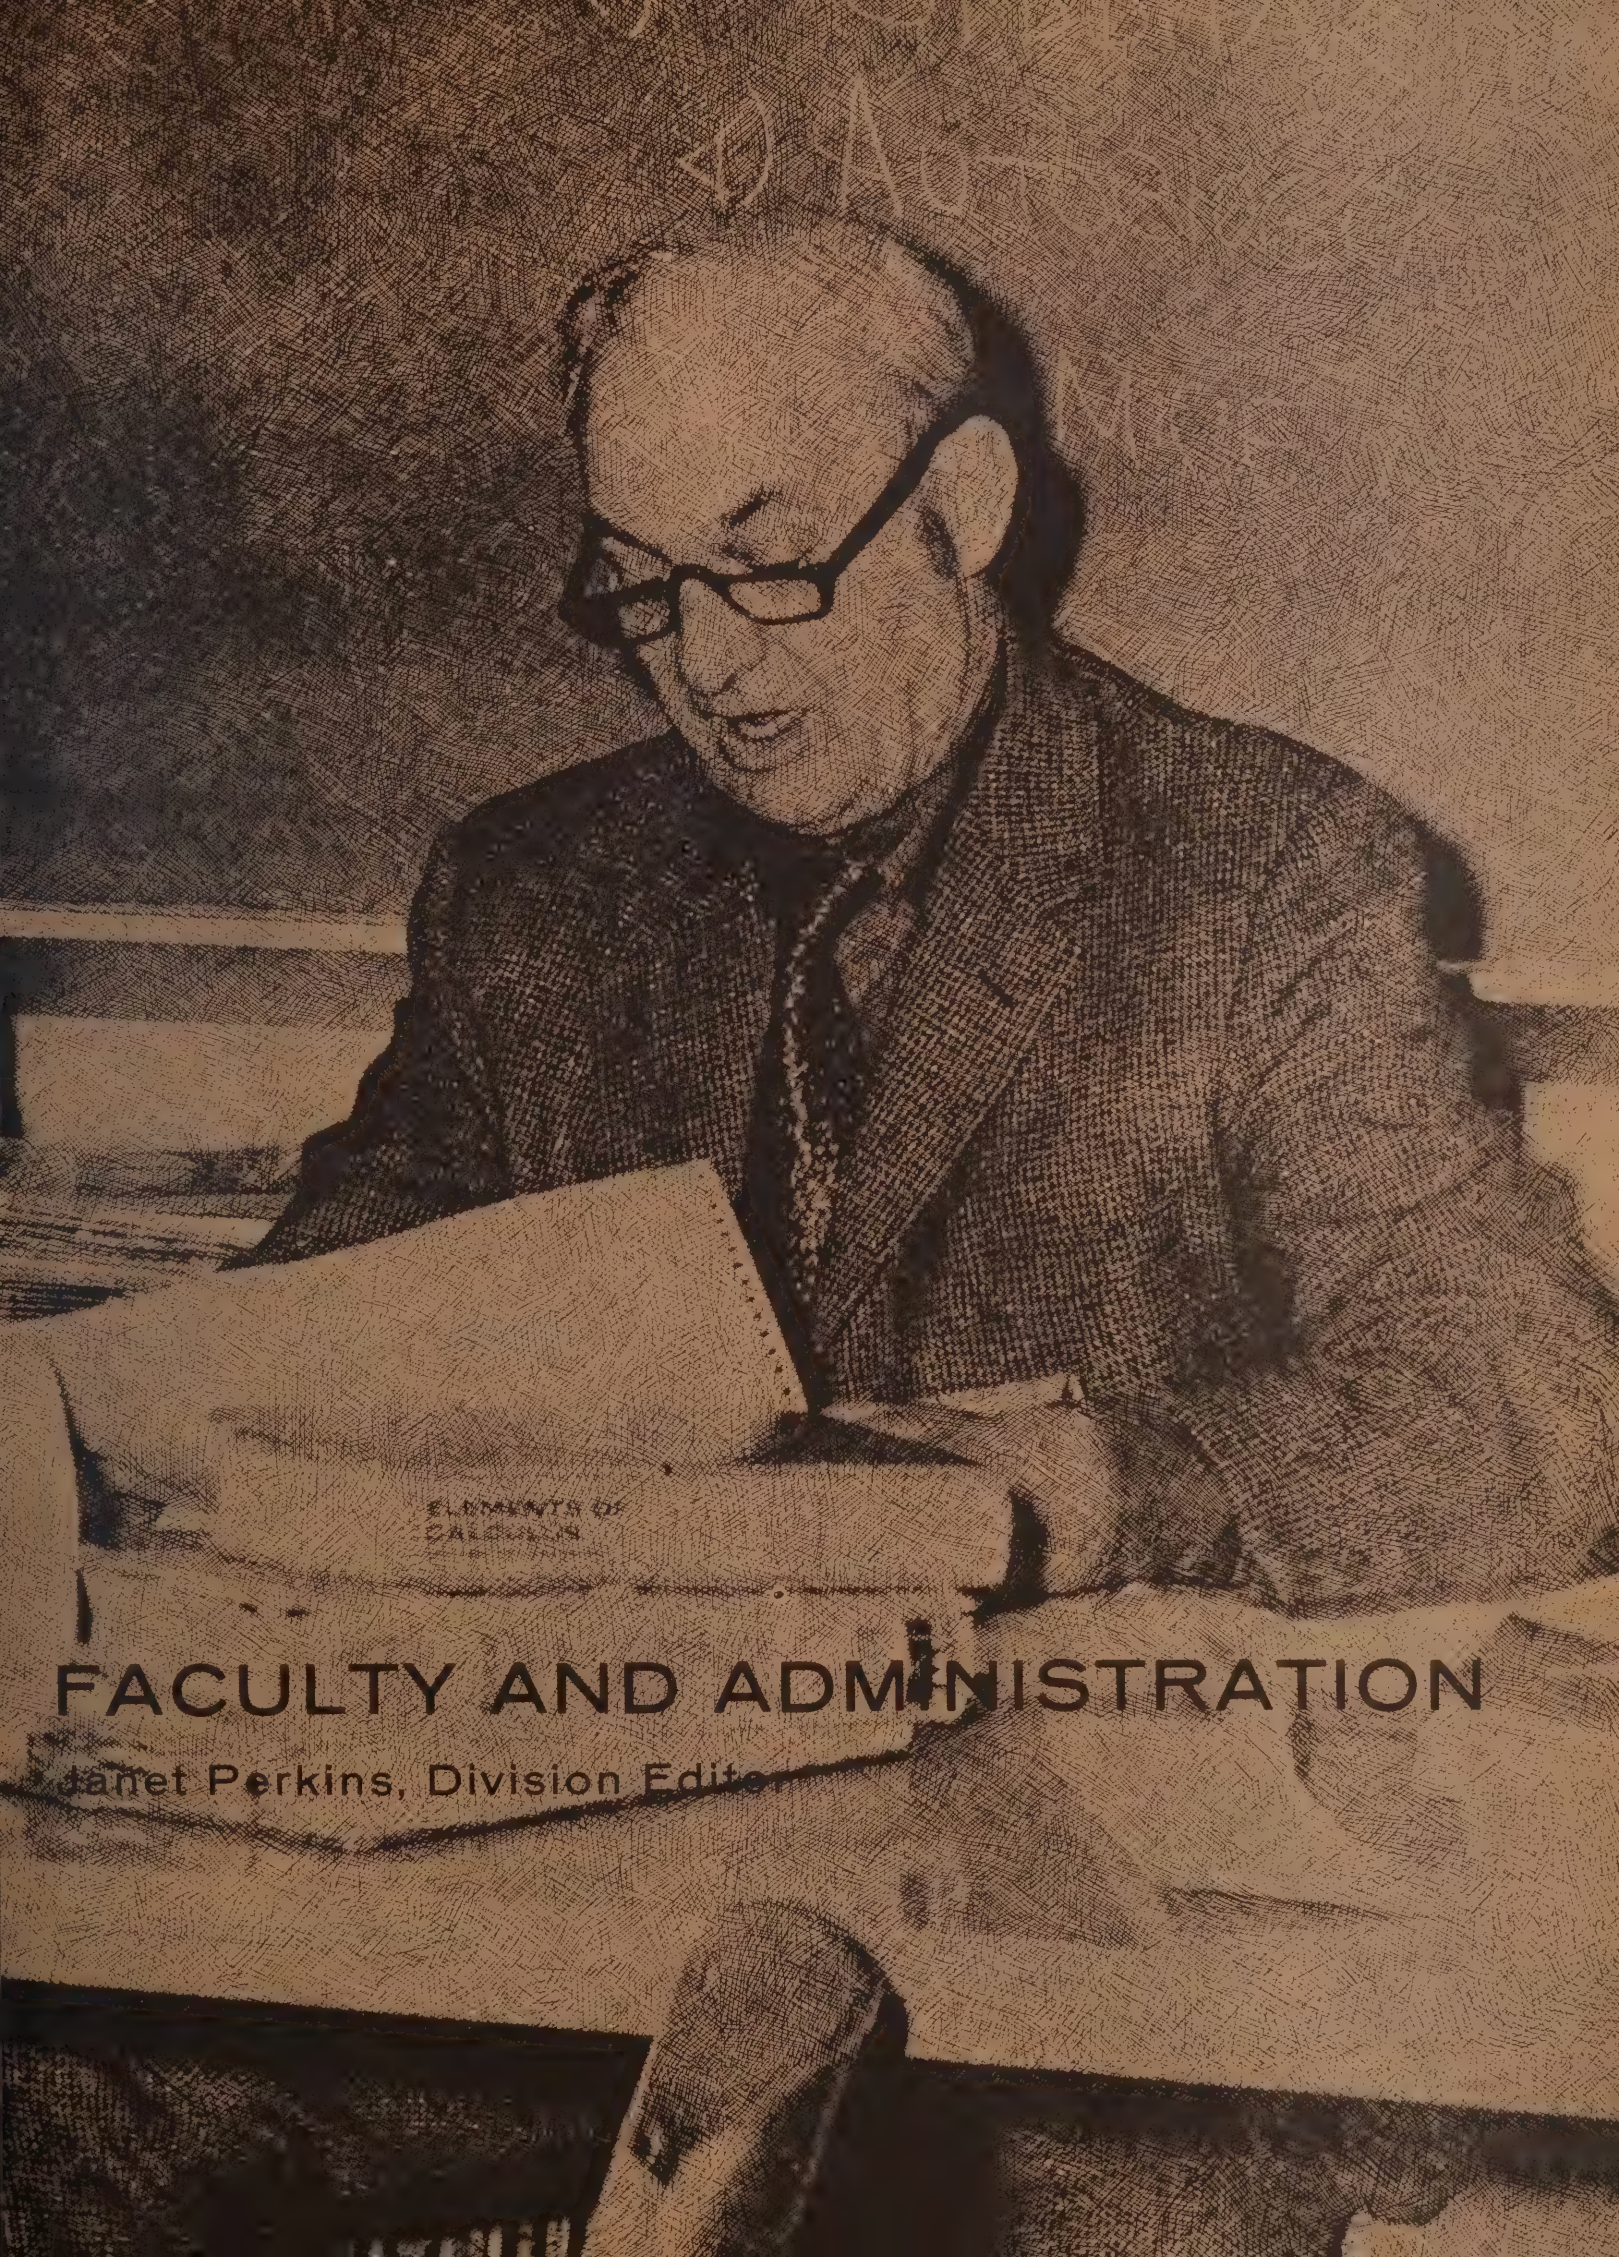

Change is the only constant
in this universe swirling
around the trillion suns,
and you were not the same
person when you first
passed through the doors
of Jefferson High School . . .

. . . as you are now.

PRINCIPAL

To the Graduating Class of 1971

One of the really nice things about my job is that I have the opportunity to work with so many fine people. This senior class is certainly no exception, and it has been a real pleasure for me to know you and to work with you in the planning of your various activities.

We have had some interesting experiences since your class entered Jefferson in the fall of 1967. The solution has not always been easy, but I have always had excellent cooperation from your class officers and from you as individuals.

As with all classes in recent years, you are leaving high school in very difficult times, times in which we are all facing many serious, unsolved problems. Our country needs strong, wise leadership, and my generation is going to be looking to yours for the solution to the problems that have caused unrest and unhappiness in your generation. I am certain that we will see some very fine contributions from the class of 1971.

I sincerely hope that you will find that your high school education has been an important step in your educational process, and that it will enable you to take your next step successfully, regardless of what it may be. I am confident that you can succeed if you are willing to work hard to achieve your goals.

Your teachers and I wish you the best of luck, and we hope that you will let us know when we can help you in any way. Please come back to see us when you have the opportunity, and I assure you that we will always be interested in knowing of your endeavors.

"NO,NO,NO . . . Mr. Jordan, You're doing it all wrong!"

ENGLISH

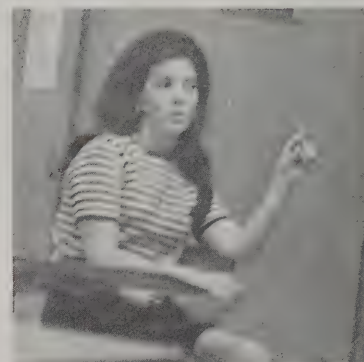

The Generation Gap - Black Literature - Medieval Art -
Literature of Dissent - 2001 - Shakespeare . . .

Variety and selection have been uppermost in the English Department this year. The elective program has been expanded. In addition to juniors and seniors selecting courses each nine weeks, both freshmen and sophomores, have been able to choose their units. The American Civilization course for juniors and the English - Government course for seniors have been continued; the World Civilization, previously offered only for tenth graders, now includes a two-year course for ninth and tenth graders. In this course, four teachers, from English, History, Art, and Music, work together with a group of students interested in cultural and historical development of the world.

New ideas and new programs function - but not without their tolls . . . hours of work, physical exhaustion, not to mention a few "near-nervous breakdowns." The department has had a busy but interesting year. The students have read, written, and discussed; ideas have been explored, bantered, and absorbed. The result, we hope, has been Education. Many things are happening in schools today, and English is certainly part of "the Happening."

SCIENCE

The thrill of discovery has been widely acclaimed as one of the greatest pleasures life has to offer. Therefore, it is the major objective of the science curriculum at Thomas Jefferson High School to show how the mind of man can best be harnessed to the processes of scientific discovery. Each Jefferson student has or will have been a part of this realm of science through the discoveries encountered in those time-honored courses of biology, earth science, chemistry and physics. Yet, added to the wealth array this year is a new course, The Man Made World—An Introduction to the World of Technology. Also, the second-level course in biology has a new format which will give students the opportunity to engage in participant-oriented individualized research.

SOCIAL STUDIES

Change is characteristic of the Social Studies Department this year. Many of the geography classes are using new materials involving the inquiry approach to learning. World Civilization classes begin a two-year course in which more time is available for in depth study about the ancient world, the middle ages, and modern civilization. A semester course in modern Russian history is being offered for the first time. Also, U.S. government and history students are allowed to select themes for study. The junior and senior courses are standardized for the first nine weeks, but thematic offerings are available the remaining nine weeks. Each theme is a self-contained unit, in which the topic is brought up to date every quarter. This is a far superior approach as teachers and students no longer need to strive the last few weeks of school to reach current times.

HEALTH and PHYSICAL EDUCATION

Jefferson's Physical Education Department gives students a chance to release their frustrations in a wide variety of activities, from team sports to individual or carry-over activities.

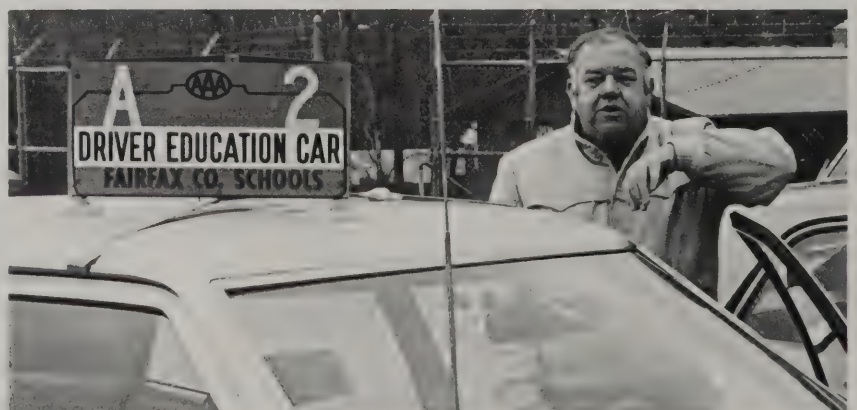

We welcomed two new members to our department this year; Miss Diane Raynes in the girls' department, and Mr. Bill Radford in the boys' department. We also saw the addition of a Universal Gym to our program, a multi-purpose exercising machine, whereby fourteen boys can work out or exercise at the same time. Also, upper classmen were given the opportunity to select the activities they desired to participate in.

ART

The Art Department has developed an elective, specialized program for second and third year students. This program allows for intensive work in the areas of Creative Crafts, such as textiles, enamels, jewelry, stained glass and book bindings; Graphics, such as etching, lithography, serigraphy, woodblock, and photography; Painting, such as egg tempera, watercolor, collage, oil, and acrylic painting; Sculpture, using metal, wood, stone, and ceramic clay. Each course is eighteen weeks, thus allowing the students to develop two skills in one year.

The senior year remains one of independent study, which encourages each student to prepare for his future goal in the fields of art. The four years are culminated by the one-man shows, which are the highlight of the Spring Art Festival.

Students have taken painting and sketching trips to the Waterford Festival, Harper's Ferry, and the Bay; and museum trips in Washington and New York City.

The Art Department has had many opportunities to be active and involved in other areas of the life of Thomas Jefferson High School, such as the Art and Foreign Language "Mardi Gras" parade and carnival, which, this year, included a Gala Ball, and decorating for the Homecoming dance. Mrs. Knapp's students also worked in conjunction with the Drama Department and the Choral Department to produce scenery for the spring Musical.

Art students continue to work with Mr Tenschert in decorating the Planetarium. The fine cooperation of the Industrial Arts Department does much to broaden the scope of our Crafts and Sculpture programs by providing suggestions and access to equipment not otherwise available. The Department chairman, being a full time member of the World Civilization I and II team, brings close to an additional one hundred students into the studio art program.

Mrs. Elizabeth E. Campbell

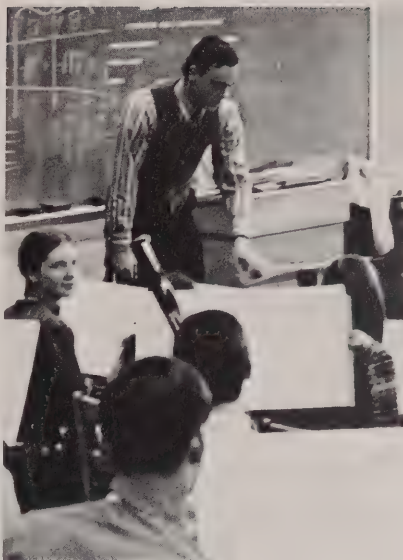

THE COLONIAL BANDS

There are three bands in the instrumental music department ranging from the Symphonic Wind Ensemble and Marching Band to the experimental jazz Lab Ensemble for musicians who wish to learn to play a variety of instruments and learn to read music and composition.

The Symphonic Band- A unit of 100 musicians who are accomplished on their particular instrument. The Symphonic Wind Ensemble, the show band of the high school, fulfills the responsibility of being the major unit of the Marching Colonials, participating in all home football games and one away game, as well as state competition, and this year, a national competition. During the concert season the Wind Ensemble performs three home concerts, one of which is the Colonial Music Festival. They perform in the VMEA Music Festival, and travel extensively around the Northeast in tour performances.

The Little Concert Band- Made up of forty young musicians, its primary function is still as a "feeder" to the Symphonic band but with the advent of good young musicians it is capable of performance on its own.

The Jazz Lab- Made up of beginning musicians, this small class has grown into a favorite through the experimental instruction of music through a jazz and rock music medium. Members of this class are taught reading of music through the use of guitars, jazz flute, jazz clarinet, etc. This has been termed a very successful class by the director and students alike. The emphasis is on independent study with teacher aid.

Many changes were made in the Home Economics curriculum the past year. The name changed to Consumer and Homemaking Education which focuses on the development of the competencies important to home and family living, and offers a program relevant to boys as well as girls as future homemakers.

At Jefferson, new courses were introduced and for the first time the male sex were given the opportunity to take the course, Preparation for Bachelorhood. Junior and Senior girls not wishing to continue with the sequential program were given the opportunity to enroll in specialized home economics which provided depth instruction in Advanced Sewing the first semester and Gourmet Foods the second semester. Units on sewing with knits and Consumer problems were added to the courses in grades nine to twelve, these and the other units are offered to students to help equip them for effective membership in their present family and prepares them for their future responsibilities and relationships in successful establishment of a home and patterns of family living.

NILUHER

The industrial arts program offers nine areas of study/work on three levels of learning with the objective being to make available to all students a broad background of technological experience that cuts across and is associated with other curriculums. Industrial Arts contributes to the general education of all students by teaching skills that are needed and used in factories, research laboratories, and the home. Advanced industrial art courses concern in-depth studies in a particular field or area of industry in general with emphasis on technology as it affects our society and the level of education and training that has come to be expected of future employees. The overall structure of industrial arts is also concerned with preparing students for further study as well as future vocations. It is the purpose of the industrial arts department to bridge the gap between basic high school courses and those of junior colleges, community colleges, and universities.

GROEMPING

The dictionary defines a senior as one who is older, one who is a "member of the graduating class," and we are older now—older than four years ago—but then, that is obvious. Perhaps that which is not so evident is of more importance—of our learning experience, not merely including courses. We have received an education; at times we wondered if we really needed to know what a perpendicular bisector was, or if "avoir" was conditional or future tense. There were other times we wished **A Tale of Two Cities** had never been written, and we hoped that maybe we could blow up the chemistry lab and thus end that course. But those days are behind us . . . Much of this information is already forgotten, yet remembered are those dealings with people in which we learned about ourselves—that smile from a stranger that brightened the rainy day when we flunked three tests in a row—the time we discovered that there was another person who agreed with our views and a friendship was formed. This education in life, through life and for life, is that which we must now employ. With this we seek new horizons in our world . . .

AFS STUDENT

Thank you very much!

Yes, I'm thankful for Thomas Jefferson High School, Annandale and for you who worked to bring an AFS student to spend this year among people so very kind. I couldn't be luckier than to be this student!

You may ask me why am I so happy. This is because I have found friendly smiles during all my time here.

What is more wonderful than a friendly smile! In it I have found friendship, understanding and love.

The friendship I have found among the students and teachers has made it easy for me to adjust to the school and community. Also, I have been able to share with them my previous experiences in Brazil. This knowledge fits in so well with the main objective of American Field Service: the exchange of ideas in a peaceful world.

The school day is an important part of my experience.

I have learned from you during the clubs activities, the assemblies, the class periods and even when I'm in a hurry in the halls. In each of these I have found something new and interesting.

Even outside the school I have been delighted with the nature. The beauty of the colored leaves and the snow will be unforgettable and different for me.

The first day, when the Brazilian flag was raised beside the American and Virginian flags, I heard a voice inside me that seemed to say: "Go! You and your American friends are capable to get the freedom, the right to move ahead, talking and walking together."

Your Brazilian friend,
Ana Maria de Siqueira Costa

JUNIORS

The word "Junior" is a parallel of the Latin "juvenis", meaning young, and that is what we are in comparison to the world, yet we are now the leaders of the school. These past three years have been hectic; the forthcoming one is to be our last, and in these days our youngness changes to maturity. While we are in this young-turning-mature stage, we shall experience many new situations and facets of life, each day encountering people. The opportunity is given; ours is to seize it now and mature in dealing with others.

SOPHOMORES

The halfway mark of high school has been reached, for somehow we made it through the years and now we reflect upon them; the first day as a freshman, that lonely feeling, the day we entered school as sophomores knowing our ways around the building. Remembering them, we laugh and cry, yet "the most exciting is yet to come." We have begun to realize the true importance of a friend; the accepting of a person based on that person's whole being is beginning to become ingrained in our minds; the thrill of living is ours to which to look forward, and our last two years offer us this.

Settlemyer, Mickey Ennis, Dave McElwain, Chris Nicholas, Tad Sargent, Jim Panagos, John Hoover, Steve Barbee, Doug Boyd. **Fourth Row:** Randy Scott, Mike Burbach, Pete Haislip, Rocky Scanlon, Francis Dall, Henry Worsham, Mark Hansen, Gary Spates, Dennis Brennan, Steve Wright.

The spirit of this year's Varsity Football Team could not be topped, and neither could their defense. Under the leadership of first year Head Coach Charles Rayburn, Coaches John Cowles and Donlie Henderson, and co-captains Mike Gurney and Det Haislip, the Colonials had one of the best defenses in Northern Virginia.

Although Jefferson is in the toughest district in Northern Virginia, the team won, or came close to winning, all but one of their district games. They scored in the last few seconds of their game with Stuart to gain a 6-6 tie, and held District Champion Woodson to a single touchdown. Other highlights of the season were a 25-13 win over previously undefeated Fairfax, and a 9-6 victory over Langley on Francis Dall's last second field goal.

Four Colonials were named to the first team Northern District Team. They were Mike Gurney, who made it as an offensive guard, Det Haislip as a center, and Doug Carneal and Mike Burbach as defensive backs. Det was also selected for the All Suburban, Virginia Team and received Honorable Mention for the All State Team. Winners of the various team awards were Mike Denny; Back of the Year, Det Haislip; Lineman of the Year, Mike Gurney; Sportsmanship, and Randy Scott; Most Valuable Player.

JUNIOR VARSITY FOOTBALL

Despite a series of injuries culminating in quarterback George Augst's broken arm, the Junior Varsity Football Team showed promise for next year. Captains Mike Lynch and Steve Tucci helped Coaches William Radford and Derek McClintock to groom the Colonials for next year's Varsity team.

During the course of the season, Several players came into the spotlight for their outstanding achievements. Sandy Kovach, a junior in his first year of football, scored twice against Langley, first on a reverse, and then on a kickoff return. Joe Hartsoe was invaluable as an offensive guard, and linebackers Mike Lynch and Mo Haislip contributed to the defensive power of the Colonials. In the Stuart game alone, Mo made a record 28 tackles. Many other players, too numerous to mention, also contributed to the team's performance.

The Freshman Football Team had their best season ever this year. Even though they ended up with an 0-6 record, the Baby Colonials scored 42 points, more than twice as many as any previous TJ Freshman Football Team. Coaches Charles Huntley and James Tingle say that this year's team had more spirit than any previous Freshman Football Team here at TJ. This enthusiasm was especially evident in outstanding players John Daggs, Steve Dye, Rob Hummel, Steve Lee, Eric Maerker, and Rusty Todd. The team's tri-captains were Bob Canham, Steve Dye, and Steve Lee.

"I want my Maypo!"

"It won't come down!"

GROEMING

CROSS COUNTRY

GROEMING

Coach Hess.

This year the TJ Cross Country team had its best season ever. They won three of their five meets, and placed third in the District. At the Regional meet, the team finished seventh, good enough to qualify for the State meet. This was the first time that a Jefferson Cross Country team had been able to take part in the State meet. There the team did very well, finishing eighth in Virginia. Coach Hess expects this year's returning lettermen, including Captain Tom Novak and Tom Lockwood, winner of the Most Valuable Player Award, to form the nucleus of an even stronger team next year.

GROEMING

Although this year's Varsity Hockey Team was inexperienced in Varsity competition, they held their own in most matches. Led by co-captains Diana Knapp and Linda Peterson and coach Miss Stacks, they had an aggressive forward line and a backfield which steadily improved throughout the season. During the first game with Herndon, two records were broken—the team had the highest score for a single game with 6 goals, and Patty Foder was the highest individual scorer for a single game with 4 goals. The most outstanding players of the season were Diana Knapp and Linda Peterson. Ten of the fifteen members of the squad this year will be returning next season and with some of the Junior Varsity squad moving up, the prospects for the coming year look good.

PAUL LIN

Led by co-captains Linda Jones and Vicki Niemi and coach Miss Morrison, this year's Junior Varsity Hockey Team scored more goals during the season than any other previous J.V. team. The outstanding games were against Annandale and Marshall. Excellent performances were made by players Vicki Niemi, Linda Jones, Mary Sheridan, Robin Lindner, and Kathy Butcher. This year's team was a conscientious and aggressive group, and their teamwork was outstanding. They made a dramatic improvement during the season and show much promise for the future.

"Somebody give me a hand!"

An ant's eye view of the 1971 Colonials.

Matt Westcott grabs a rebound.

Continuing the TJ tradition of victory, the Varsity roundballers had their fourth straight winning season. In their ten victories and only nine losses, the team scored a total of 1035 points. With an abundance of underclassmen, Coach Wickline looks forward to more good seasons in the future.

Greg Croghan had an outstanding year. He led the team in rebounding for the season, and for his efforts was given the Outstanding Rebounder Award. Winners of the other team awards were Carlton Summers with Sportsmanship, and Steve Hedlund who received Outstanding Defensive Player.

The highlight of the season was the 40-38 victory over Woodson. Before that game, the Cavaliers had won 33 consecutive games over District opponents. The victory gave the team an emotional lift this year, and confidence that next year they can win against anyone.

Greg Croghan grabs another rebound.

Two Colonials grab the rebound.

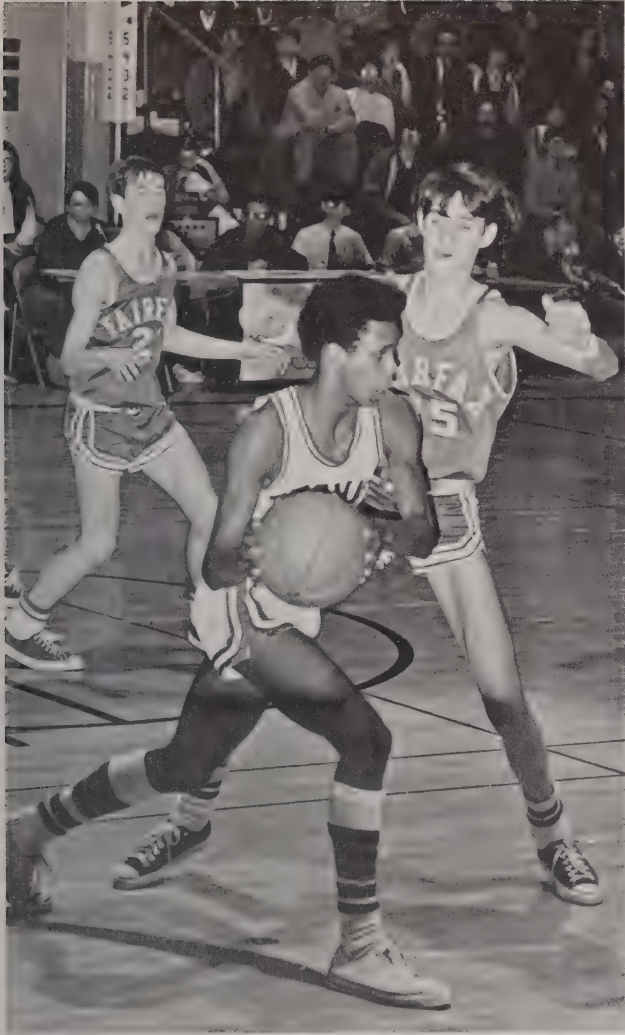

Jeff Wheeler on a jump shot.

Although the JV Basketball Team got off to a bad start this year, the worst, in fact, in Jefferson history, they gained confidence and came back to win 13 of their last 15 games, with the two losses being by only one point each.

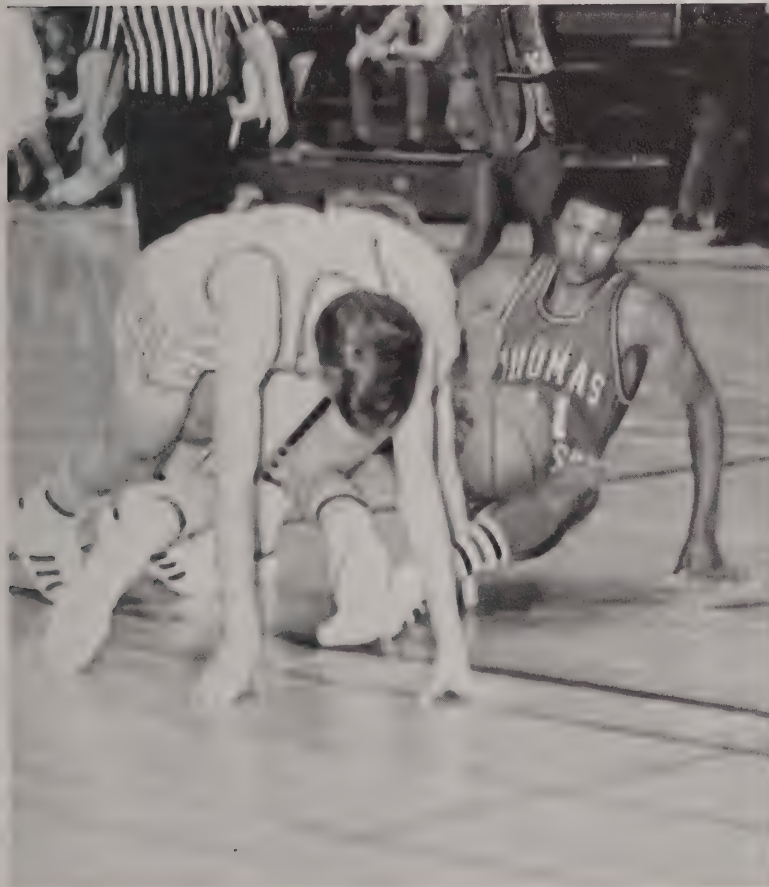

They showed the greatest improvement of any team ever at Jefferson. The team gained the practice and experience needed to form a good Varsity team for next year. All the players got a chance to call the shots as the captains were switched around for each game.

Only a few records were broken this year, but many players proved themselves through the course of the season. Among these were Dana Page, Francis Dall, Jeff Wheeler, and Tom Gary. An 11 game winning streak and a 55-43 conquest of Woodson for the Northern District Championship ended the season with a flourish.

"Come on, buddy. Get out of my way!"

FRESHMAN BASKETBALL

Although the Freshman basketball team started slowly this year, they gained experience and confidence as the season progressed. All of the boys had a chance to lead as Coach Henderson changed captains before each game. The official captains, however, were David Thorkildsen and Scott Keller.

Among the many outstanding players were Mark Murphy, David Thorkildsen, who made seventeen recoveries in one game, a new record, and Pete Peifer, who won the season foul shooting contest. In the words of Coach Henderson, "Each boy on the team showed good sportsmanship throughout the season and was a gentleman in every respect. This season has shown the boys what they must work on and improve upon in order to be winners in the future."

CROEMPING

Mark Murphy lays it up for two.

Outstanding sportsmanship characterized this year's Girls' Varsity Basketball Team. Led by their coach, Miss Morrison, and co-captains Patty Foder and Dianne Knapp, the team started slowly, but came on strong in the second half of the season to win four of their last six games. Among these second round victories was a 61-46 rout of Falls Church in the season's next to last game. With outstanding players Patty Foder, Diana Knapp, high scorer Kathy Kramer, and high rebounder Susan Tanhauser, the team went undefeated in the Fairfax County Sportsday, held on February 20, 1971. Next year Miss Morrison expects the team to have an even better season.

Even though this year's Girls' Junior Varsity Basketball team was very young and inexperienced, it did very well, finishing with 8 wins and 4 losses. The team found that there was a lot more to the game than winning. The tri-captains; Ellen Butcher, Jennie Jordan, and Mary Sheridan; and team member Laurie Craft were the team's outstanding players during the season. Several records were broken this year. The team single game scoring was broken twice—first by 46 points against Woodson and then by 53 points against Stuart. The individual high scoring record was broken by Jane Polk's 24 points in one game and then by Mary Sheridan's 25 points. The coach, Miss Raynes, anticipates a fantastic team for next year.

The 1971 Varsity Wrestling team was the best in Jefferson history, finishing with a record of nine wins, three ties, and one loss. Led by Coach Radford, tri-captains Dale Midkiff, Det Haislip, and Harry Withers, the team had a 5-0 District record, the first perfect season in TJ wrestling history. Nine Varsity wrestlers had winning records this year: Newtie Edwards, Joe Freeman, Pete Haislip, Dale Midkiff, Tad Sargent, Jeff Perkins, Jim Perkins, Joe Valler, and Harry Withers.

Probably the most exciting match of the season was the victory over Stuart on pins in the last two individual matches by Newtie Edwards and Pet Haislip. With many returning underclassmen from this year's team, Coach Radford anticipates an even better season next year.

SIX CHARACTERS IN SEARCH OF AN AUTHOR

For its fall presentation, the Drama Department presented Pirandello's "Six Characters in Search of an Author." The play, directed by Mrs. Suzanne Anderson and Gail Brinkerhoff, featured Mark Bronsak, Elise Mehmel, and Dennis Rabinovitz in leading roles. The performances represented the first time that Jefferson had presented a play of such a sophisticated nature. Unlike previous productions by the Jefferson Drama Department, "Six Characters" was hard drama. Needless to say, all those involved in the presentation were more than usually pleased.

Government Seminar students present "The Importance of Being Earnest."

"Agamemnon had it coming to him."

NANCY NORMAN, CHRISTMAS QUEEN

"Don't you have a date?"

CHRISTMAS DANCE

MATTHEWS

Following the patterns of past years, the Key Club sponsored the annual Christmas Dance held on December 19. The Navel and the Framus Brothers played in a setting of Christmas splendor which the Keyettes helped the Key Club to create. Nancy Norman was crowned the 1970-71 Queen; and her Maids-of-Honor, Sharon Hayweiser and Marion Andrews, were presented during the climax of the evening.

DAMN YANKEES

Consummating the combined efforts of some one hundred students and weeks of rehearsal, "Damn Yankees," held in the TJ auditorium on March 18, 19, and 20, was a tremendous success. The Broadway musical, in which the devil dabbles in major league baseball and transforms an avid but middle-aged baseball fan into the greatest baseball player the world has ever known, was produced and directed by Mrs. Suzanne Anderson, with the help of Mark Bronsak. Mr. Bob McCord directed the chorus; Mr. Jon Hoffman conducted a twenty-seven piece orchestra which accompanied the singers; and Mrs. Adelaide Knapp, Mr. Ray McDonough, and students provided scenery.

The Senators?

SENIOR SUPERLATIVES

MOST TALENTED:
Kenny Wilson (1) and Doreen DeBellis (2)
WITTIEST:
Tom Pitner and Lucia Durso (3)
MOST SPIRITED:
Doug Carneal (4) and Pat Gorman (5)
BEST DRESSED:
Dave Whelan (6) and Amy Mathis (7)
MOST LIKELY TO SUCCEED:
Dennis Rabinovitz (8) and Vanessa Walton (9)
CUTEST COUPLE:
Mike Gurney (10) and Pattie Canham (11)
MOST ATTRACTIVE:
Matt Waller (12) and Joan Wagner
FRIENDLIEST:
Richard Spaulding (13) and Sharon Hayweiser (14)

MOST DEPENDABLE:
Steve Carr (15) and Virginia Aharonian (16)
MOST ATHLETIC:
Dale Midkiff (17) and Patty Foder (18)
MOST INTELLIGENT:
Tom Wallin (19) and Nancy Thompson (20)
BEST ALL AROUND:
Greg Croghan (21) and Nancy Norman (22)
MOST CREATIVE:
Greg Burris (23) and Barbara Landwehr
MOST POPULAR:
Steve Hedlund (24) and Beth Pace (25)
MOST INDIVIDUALISTIC:
Bill Rector and Candee Pilk

MARDI GRAS

PAULLIN

PAULLIN

C.ROEMING

The King and Queen of Mardi Gras are crowned by Mr. McConnell.

Jefferson's third annual Mardi Gras, sponsored by the Art and Foreign Language departments, was held on February 26, 1971. The festivities began with a costume parade to the cafeteria where the carnival was held. The evening was concluded with the Mardi Gras Ball, featuring The Incredible Fog. Prior to Mardi Gras was a soccer tournament, sponsored by the Foreign Language classes, in which the Spanish team placed first.

PAULIN

GROOMING

A few of the contestants kicked around the idea of a soccer rematch.

BINGHAM

"My gosh, there's a family of aardvarks in my locker!"

"Well, here I am!"

"... and THIS is your excuse???"

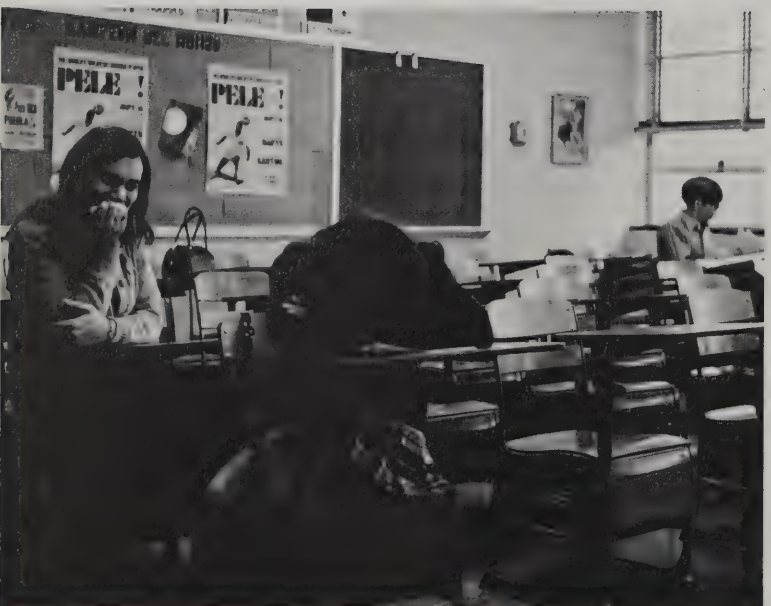

Freshmen: It's so great to be a Freshman! I love homeroom!

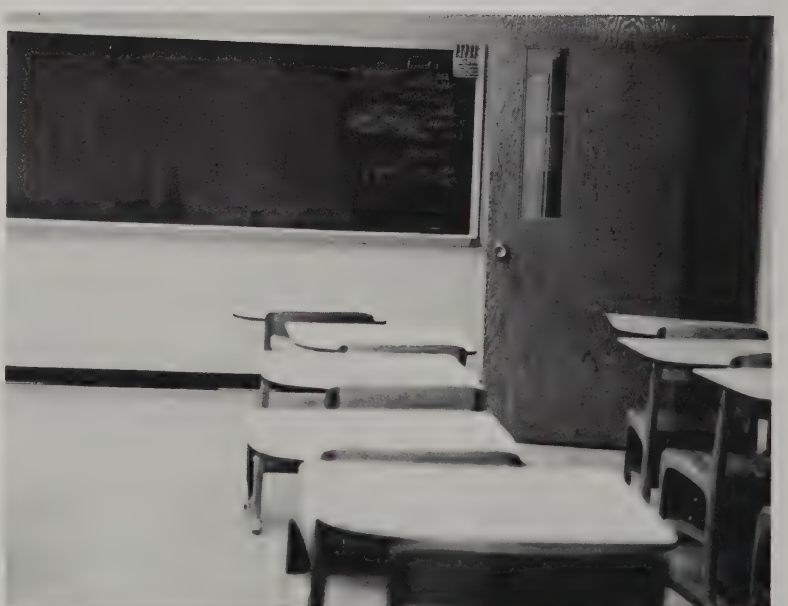

Sophomores: If morning announcements weren't so darn exciting, I might be able to get some sleep.

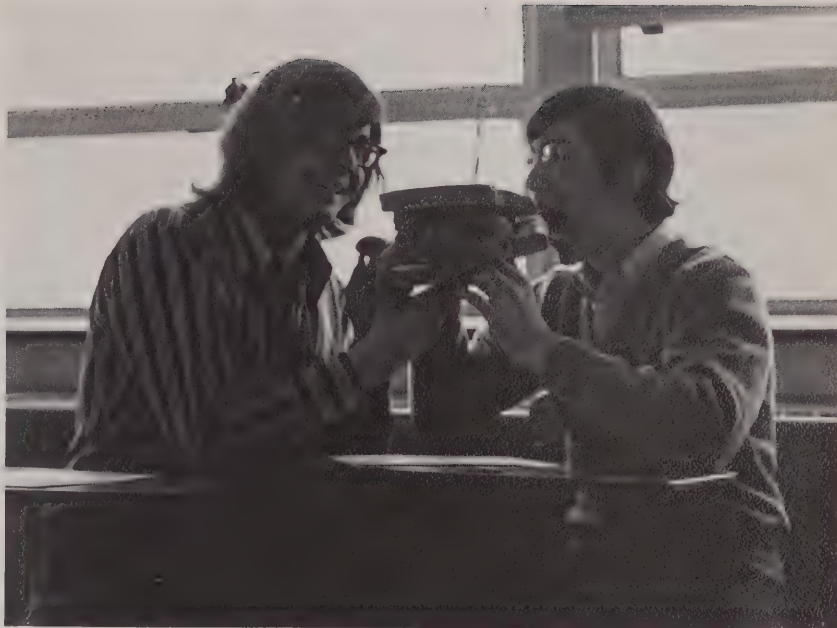

HOMEROOM: WHAT A WAY TO START THE DAY!

Juniors: Mr. Pompei would die if he found out I did **that** during homeroom!

Seniors: What's a homeroom?

Two TJ students enjoy a frog sandwich.

AND THEN THE DAY BEGINS . .

GROEMING

... AND SOME PEOPLE EVEN STUDY.

LETTER FROM THE EDITOR

The fifth and last deadline of the **1971 Jeffersonian** is tomorrow, it is one o'clock in the morning, and I arrive at the time when I must thank the many people who made the **1971 Jeffersonian** possible. I do so sincerely and with deep gratitude:

Thanks, first of all, to this year's staff. Thank you for making all your deadlines and for creating what will hopefully be a very good yearbook. To the editors, thank you for tolerating my nagging. To their assistants, thank you for doing all the dirty work which the editors didn't want to do. Particularly to Nanci Bross, thank you for suffering silently as my own assistant. To Karin Gilbride, thank you for suffering as my other assistant. To the photographic staff, thank you for providing good pictures and for going through rain, sleet, snow, and whatever to get them. To the yearbook room, thank you for remaining functional through yet another year of trash and graffiti.

To the faculty and administration, thank you for allowing us to snatch your pupils and, sometimes, you yourselves for pictures. To Mr. Jordan, thank you for wearing that itchy Santa Claus costume and for having Nancy Norman on your lap for so long for the picture on page 254. To

Mr. Gardner, Miss Lange, and all other teachers concerned, thank you for generously excusing staff members from classes during deadlines. To Miss Wilson, thank you for allowing us to remain your next door neighbors one more year. I do believe, however, that we were somewhat quieter this year.

To Hunter Publishing Company, thank you for serving as excellently this year as in years past. To Mr. James Ellis of Hunter Publishing Company, thank you for invaluable advice.

To the student body, thank you for your business and for being as interesting and versatile as you were this year. It made our job of portraying you in these 312 pages so much the easier.

And to Mr. Kelleher, thank you for being our advisor, for staying up to all hours of the night and/or morning printing our pictures, for offering useful advice on a variety of subjects — one of which happened to be producing a yearbook, for fixing our broken radios and cars, etc., etc., etc. After all of the thank yous which I have made, you are still the biggest asset which this or any other yearbook could have.

Tom Wallin, Editor in Chief
1971 Jeffersonian
